

# Oakham Grange

an Ardale home

## Moving in to Oakham Grange Nursing and Residential home

an Ardale home

*'Promoting independence while maintaining friendships and interests'*

## Care Needs

Before we can begin to make Oakham Grange your home, we need to get to know you and for you to place your trust in us. To start this process, we will come and meet you (and your family if you wish), to assess your health needs and just as importantly get to understand your likes, dislikes, hobbies and interests, so we feel confident we can fully support you.

Assuming you also feel we are the right team to enable you to live your life as you wish, this assessment will guide us to accurately meet your care needs, be they; low, enhanced or high.

## Living with Dementia

A diagnosis of dementia does not stop you being the individual you have always been. We want to get to know you the person, not the long term condition you now live with. Therefore our process of assessment is exactly the same as above.

## Nursing Care

As individual as we all are, there are some days where we feel healthier than others. Therefore, everyone that lives in Oakham Grange has free access to see one of our nurses when they want (over and above our regular GP visits). So if you live with a long term condition, are recovering from a short illness or just feeling a little down, our nurses are here for you.

**'Just because you live with dementia, shouldn't mean your costs are automatically higher'**

*Lesa McAnulty – Ardale Chief Operating Officer*

## Pricing Structure

Residential & Nursing home pricing can be very confusing, but at Oakham Grange we want to make life as simple, straight forward and as stress free as possible. After your care needs have been assessed, we have a very simple pricing structure. It's as simple as choosing the room you want!

Type of room	Weekly price
Standard room	from £1120
Deluxe room	from £1245
Apartment	from £1995

## Standard Room

There is nothing basic about an Oakham Grange bedroom. They are light, bright and beautifully decorated, all featuring their own ensuite wetroom. Rooms here are spacious and feature large smart TV's and free Wi-Fi for your phone or tablets to keep you connected with your loved ones. As lovely as your room will be we really want you to enjoy the rest of the home, spending time with old friends or making new ones in the many lounges, cafes or garden spaces. There is space for you to maintain your current interests and hobbies, while our Activities Coordinators are here so you can enjoy learning new ones.

## Deluxe Room

In addition to the features of our lovely Standard rooms, a Deluxe enjoys the benefit of even more space or the option of a French door outside into the garden. So if you are an 'outdoors' sort of person or enjoy spending lots of time in your room, a deluxe could be the room for you.

# Apartment

We only have a handful, but Oakham Grange Apartments are very special. In addition to the features of a Deluxe Room, each boasts its own private lounge with a dining area and its own kitchenette (with fridge, kettle, and microwave) so you can make your own hot drinks and snacks. Some rooms also benefit from their own French doors out into the garden.

Want to find out more, meet the team and get a sense if Oakham Grange could feel like home?

**Call today on 01572 33 22 11 and we will pop the kettle on.**
